Robin Butler called the July 28, 2009 meeting to order at 8:40 a. m. The minutes from our June 23, 2009 meeting were approved as submitted.

OLD BUSINESS:

RSA Committee advised they conducted a review of the proposed enhanced pedestrian crossing on Fernwood Blvd. The LAP funds allocated are substantially less than the bids received for construction and there has been discussion that Lynx might be moving these stops in the near future. The committee will research this proposed relocation to determine the exact date of relocation as well as discuss design options with SC Engineering staff to determine if construction design could be modified to fall within the LAP funds allocated if the proposed move is not in the immediate future.

The Seat Belt Enforcement Operation on June 30 and July 1 resulted in 94 participants; 25 arrests and 633 citations issued. Of the 633 citations written, 408 were safety belt violations.

Altamonte Springs P.D. advised Red Hot and Boom was a tremendous success and thanked all agencies for their participation and there were 3 arrest made, however, were not related to the event.

Winter Springs P. D. advised their event went very smooth also.

NEW BUSINESS:

Due to inclement weather the Memorial Day Operation sponsored by Casselberry P.D. will be rescheduled.

Winter Springs Motorcycle Safety Op is being rescheduled also.

PROBLEMS AND SOLUTIONS:

8 items were open, which 3 were closed, and 5 remain open (see attached)

FATALITIES TO DATE:

2 fatalities were discussed that occurred in April and May

ANNOUNCEMENTS:

The Red Light Running Operations will be held the week of August 3 – 9, 2009. For additional details please contact Sgt. Jim McKenna with Longwood P.D. All agencies will be participating.
